Welcome to our New Faculty and Staff

Greetings from Mrs. Wenzel

The beginning of the school year has definitely been exciting. Everyone has been very welcoming. Many parents have graciously helped me get a head start at becoming familiar with my students by writing down details about their child and their family. To return the favor, here are a few things about myself: I enjoy reading, drawing, painting, running, skiing, hunting, fishing, and outdoors activities in general. My husband and I live on our family farm eight miles south of Edgar. We are both alumni of Catholic schools, as are our four children. We have two grandchildren, and love being grandparents. I am a graduate of the University of Wisconsin-Superior, and I am working on a Masters of Arts in Educational Technology from Marian University and Master of Arts in Catechetics and Evangelization from Franciscan University of Steubenville. Thank you to everyone who helped get my room ready for the new school year, including Donna and Jeff Denfeld who donated four bookshelves for our growing classroom library. Thank you most of all for sending your children and grandchildren to a Catholic school. It is an investment providing dividends for life in faith, knowledge, discipline, and morals.

Greetings from Ms. Stubbe

My name is Marie and I am the new school Secretary at St. John the Baptist. I'd like to start by thanking Principal Gulan and Father Huff for this opportunity and also need to extend a big thank you to all of the Parish Staff, School Staff, parents, and volunteers who have all helped answer the many questions I have had so far as I learn my new responsibilities. For a brief introduction, I'm the daughter of Joel and Theresa, I have a younger sister named Emily; and in October 2016 I adopted a Lab/Hound mix named Tucker from the Clark County Humane Society. A Wausau native, I grew up in the Newman Catholic and Wausau School Districts, graduated with my Bachelor's in Management from the University of Wisconsin - Eau Claire in 2011; and have held a wide variety of jobs up until this point. My late maternal grandmother worked as the Secretary at St. Matthew Middle School in Wausau for many years until her retirement from Newman when the Middle and High schools combined. Watching her do what she did, I wanted to have a job just like her's one day. Many years since then, I have finally been given the chance to do what I've always dreamed of. I'm very grateful for this role and for the prayers from family, friends, and parishioners supporting me along the way. Thank you all for your welcome; I can't wait to spend many more years in the Edgar community here at St. John while your children grow in their Catholic faith and education.
