

St John the Baptist Catholic School was able to use donated money to upgrade the computer server, wireless capability, and add 17 new computers in the school. The Edgar Jaycees donated \$3,000 and the remaining was through private anonymous donations. St. John's are so thankful for all who have helped to make this upgrade possible.

While Father Huff is on vacation the children **will not** be attending weekly mass on Wednesdays.

Bishop Callahan does not want to have students attend Communion Services, as he feels it confuses them with the regular order of mass.

The school will be attending regular Wednesday mass beginning September 20th. We will be celebrating Sts. Andrew Kim, Paul Chong Hasang, and Companions.
