Greetings,

Enclosed please find a copy of the 2019 Marathon County Health Department Immunization Clinic schedule. Please make copies of this schedule to distribute to others who would benefit from this information. If you are a school, please feel free to include this in your newsletter, as well as including a copy in kindergarten packets for the 2019 - 2020 school year.

To access this information electronically, look for our Immunization Schedule on the Marathon County Health Department website: MarathonCountyHealthDepartment.org When the page opens, looking at the menu on the left side of the page, click on "Child and Family Health" and then click on "Immunizations".

Thank you for your continued support to help ensure our residents are up-to-date on their immunizations and protecting our community. If you have any questions regarding immunizations or this schedule, please contact me at 715-261-1944.
